

Physicians Championing Healthcare Improvement

Tentative Date: Friday, August 27, 12:45 pm-5:00 pm Saturday, August 28, 8:30am-12:30 pm.

Target Audience: Physicians with an interest in healthcare quality improvement

Location: NCMS Auditorium

Cost: \$99 per person (includes dinner Friday evening at the Renaissance Hotel, North Hills)

This interactive, hands-on course is designed for physicians who have been asked or who seek to champion healthcare improvement through the use of quality improvement processes in their office or hospital settings. Participating physicians will be asked to apply the techniques to their own healthcare improvement efforts and report back their successes and moments of learning in a follow-up one hour webinar near the end of September.
